

10778/12601

Applicants further submit herewith a further Information Disclosure Statement having an additional patent. This patent discloses a BFO system that has two co-planar coils. Applicants submit that all of the pending claims distinguish over this reference.

Two independent claims have been added to raise the total number of independent claims pending in this application to four. A check in the amount of \$78.00 is enclosed herewith in payment for one additional independent claim. If the fee is insufficient for filing, please withdraw any additional funds from the Sidley & Austin Deposit Account No. 18-1260.

In view of the above amendments, applicants respectfully request allowance of all claims 1-18.

Respectfully submitted,  
Attorneys for Applicant
